

THE OMEGA PET SUPPLEMENT THAT WORKS!

Auum Pets
(250 ml liquid)

The ideal Omega 3+ fat soluble supplement for both dogs and cats

- Mammalian Omega 3 contains EPA, DHA and DPA
- Added Vitamin D3, Vitamin A (beta carotene and retinal palmitate) and Vitamin E
- DPA has a neuronal affinity enhancing nerve function
- Contains the correct ratio of Omega 6 to Omega 3 for mammals, a 1:1 ratio
- This powerful Omega 3 helps to correct dietary imbalances and reduce inflammation
- Mammalian Omega 3s have the configuration that allows for phenomenal uptake
- In addition to anti-cancer properties, Vitamin D3 helps regulate calcium intake and promotes normal bone development

Active Ingredients

Each 2.5 ml serving contains:

- Seal oil (EPA, DHA, DPA) ... 2.5 ml
- Vitamin A Palmitate 481 mcg
- Beta Carotene 225 mcg
- Vitamin E 21 mg
- Vitamin D3 3.13 mcg
